Dear Logos Church Family,

It has been a little more than three months since the coronavirus was first reported in Wuhan, China. Never have we seen in our lives something comparable to the COVID-19 pandemic. That is why it can be stressful and depressing for most of us. As we stay home and practice social distancing, know that we are playing a significant role in stopping the spread and this will eventually pay off. Please continue to remember the health care workers and elderlies in our prayers.

As we remember Jesus' death on the cross and celebrate His power over death, let us share with one another the Hope salvation brings. As the spring showers come, some May flowers are making an early bloom, and so is Hope, amid the grim news and pandemic updates.

Our leadership team will continually monitor the situation to keep our Logos community safe and healthy; share our plans for what life at Logos will continue to look like; and to make necessary adjustments and proactive steps to take to care for our church family, our neighbours, and our broader community.

Caring

Please connect directly with a pastor or call our church office at 905-305-6467 or email at office@logosbaptist.org.

Logos, we realize at this time there are many people who are isolated, vulnerable, scared, and prone to being lonely and depressed. We as a leadership team encourage you to take part in social interactive spaces via virtual online platforms where we can connect, share, talk and pray about needs, fears and pains in your life and others around you. We realize this can be tough for some of us as we need to develop new people skills. However be rest assured that God is working in and through us in times like this for a new future.

As we celebrate Easter, our prayer is you will seize the opportunity during this time to experience a deeper and personal encounter with Jesus our risen savior. "Now may the God of peace, who through the blood of the eternal covenant brought back from the dead our Lord Jesus, that great Shepherd of the sheep, equip you with everything good for doing his will, and may he work in us what is pleasing to him, through Jesus Christ, to whom be glory for ever and ever. Amen." (Hebrews 13:20-21) Thank you for your understanding and patience during this time. Take care, stay safe and stay healthy.

Journeying Together,

Rev. George Mah
