Dear Logos Family,

Wishing you and your family a blessed Christmas. It was great coming together virtually last night through songs, prayer, and sharing of His Word as we focused on the incarnation of God who came and dwelt among us.

During these last months we have all too often walked in darkness, not knowing exactly what the next step would bring. For most of 2020 we had no compass. We had no map. We wandered often aimlessly trying to find our way as the pandemic put its grip on the entire world. We often felt like we were trapped with no way out.

With this in mind, let's be comforted that His LIGHT is a gift to each of us and with it came Faith, Hope and Love. The LIGHT gives us purpose, inspiration and encouragement. The LIGHT brings us the peace of love, the power to heal, the capacity to forgive and the empathy to care for others. The LIGHT gives us the courage to make a difference in the lives of others and the strength to show others a pathway from darkness.

When Jesus teaches that we, as His followers, are to be the light of the world, I picture a house that is all lit up on Christmas Eve. The light of our faith is not for our benefit only. There are too many people living in darkness for us to selfishly hide our light. In fact, Jesus says that a town built on a hill cannot be hidden. The implication is that, if we are filled with the light of Jesus, we are unable to keep it hidden. We can't help but illuminate the paths of those around us.

The light of our faith should be as evident from the road as it is from our living room. So during this Christmas let's use the LIGHT to give of our time to understand the needs of others. May we all take a leap of faith and share the gift of LIGHT by reaching out and pointing someone towards the LIGHT of Christmas.

Logos family, this will be our final issue of our weekly communication letter. We hope the information provided was helpful as we continue to navigate through the pandemic season. Starting 2021, we will make use of our newly revamped church website and electronic worship bulletins as our central source of communication for church related news.

In the meantime, stay safe, stay healthy and have a blessed weekend. Merry Christmas Logos family!

Journeying Together,
Rev. George & Board of Deacons
