

Dear Logos Church Family,

We have come to realize in a short space of time the rhythm and pattern of our everyday lives has changed. There is however one constant throughout – an ever-loving God who tells us, “So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand” (Isaiah 41:10.) Be rest assured that God is working in and through us in times like this for a new future.

Be rest assured that God is working in and through us in times like this for a new future and He invites us to pray. Prayer is not a last resort, but a loving promise from our Lord that He will hear us. Please join us in praying for those suffering from the coronavirus, those caring for the ill, those seeking a vaccine, and all others who serve in these times. Pray for those experiencing anxiety. And please know that we are praying for each of you.

We understand there will be many inconveniences, challenges, and frustrations in times like these. May God grant us a spirit to see these as avenues of service to others. Take a moment to go through our “Community Concern Newsletter” for ideas you/family/fellowship/small group can take part in to be a blessing to others during this time. God is at work in each of us. [He] is our refuge and strength...therefore we will not fear.

Our leadership team will continually monitor the situation to keep our Logos community safe and healthy; share our plans for what life at Logos will continue to look like; and to make necessary adjustments and proactive steps to take to care for our church family, our neighbors, and our broader community.
